Terra Trax is based in Beautiful Sedona Arizona and offers outstanding innovative programs for groups and teams. From in-depth teambuilding programs to fun interactive experiences, we custom design each program to meet your group's desired outcome.

TERRA TRAX PROVIDES:

- Unique teambuilding programs for groups on site and off site.
- Interactive group experiences set for pure fun and custom designed to each group's objectives.
- Dynamic outdoor adventures which enhance your Arizona experience.

TEAM CHALLENGES

Terra Trax offers Teambuilding events which are unique, challenging and produce positive outcomes! We collaborate with our client to customize activities that are based on specific goals and learning objectives. River Crossing, Corporate Maze, Overflow and Key Punch are just a few examples of the challenges that await our clients!

This learning process is experiential in nature – an engaging, creative process where participants can integrate practice and theory. Debriefing after each activity applies the results back to the work place and always brings positive results. Call for specifics.
